

POWER YOUR DYNAMIC SUPPLY CHAIN WITH STATE-OF-THE-ART OMNI-CHANNEL FULFILLMENT

The challenges to serve customers across D2C and B2B sales channels are complex with increasing pressure to drive costs down and tighten service windows. For over 40 years, LEGACY Supply Chain has been a problem-solving partner for clients across the U.S. and Canada. Our Franklin facility is built for businesses where high-volume fulfillment & high service performance is a must.

KEY BENEFITS OF THE FRANKLIN MARKET
