

# FULL-SERVICE LOGISTICS SOLUTIONS IN ONE OF THE NATION'S MOST IMPORTANT DISTRIBUTION HUBS

Legacy's Ontario operation is a multi-client facility providing omnichannel fulfillment solutions to a diverse group of customers. Specializing in consumer goods, apparel, cosmetics, shoes, textiles and eCommerce fulfillment, this operation allows retailers, manufacturers and distributors to be closer to their West Coast customer base.

## KEY BENEFITS OF ONTARIO, CA

- Ontario is near the Port of Long Beach – the 2nd highest volume container port in the US
- In the heart of the Inland Empire, this location is ideal for import goods distribution & fulfillment both regionally and nationally
- Served by all major transportation & parcel carriers
- Serve 35% of US population, including most Western 11 states, within one to two-day ground transportation
- Strong labor pool creates scalability & flexibility to service retail & eComm volume patterns

## FULL-SERVICE DISTRIBUTION

- 145,000 square ft facility including nearly 7,500 square ft of temperature-controlled space
- Fully racked facility with over 10,000 pallet locations and 18 dock doors
- Omni-channel distribution operations powered by Tier 1 WMS platform
- EDI Integration & vendor compliance support with all major trading partners

## ORDER FULFILLMENT SERVICES

- Omnichannel solutions
  - eCommerce & Direct to-Consumer
  - B2B Retail & DC-to-DC Distribution
  - Direct Sales Distribution
  - eComm Drop Ship
  - Re-Distribution
- Loose pick, Case pick, Pallet pick
- Value-added services including: Kitting & assembly, special packaging, labeling & barcoding, returns & reverse logistics
- Freight management programs to optimize FTL, LTL, and small parcel shipments
- Multiple residential delivery solutions including UPS, FedEx, USPS, SmartPost & SurePost
- Leverage our hi-volume parcel contracts & deep carrier relationships to drive down fulfillment costs
