

TURN KEY MULTI-CLIENT WAREHOUSING SPACE AVAILABLE

IN ONE OF THE NATION'S MOST IMPORTANT WESTERN DISTRIBUTION HUBS

Some of the largest names in retail, new technology, data storage and automotive are centralizing distribution operations in the Reno, Nevada area. For over 40 years, LEGACY Supply Chain Services has been a dedicated logistics partner for our clients in Northern Nevada, and across the U.S. and Canada. Our full-service warehousing & transportation footprint in Reno can provide the infrastructure you need to serve the Western US, and scalability to expand your business.

KEY BENEFITS OF RENO

- Strategically located close to major population centers
- 1-2 day transit to all major metro markets in the Western US
- One of the largest FTZ sites in the nation
- #3 most tax friendly state – including NO inventory tax
- #5 best states to do business
- Strong air, rail, over-the-road and intermodal carrier network coverage
- Ideal hub for distribution throughout the Western U.S.
- 10 min. from Reno/Tahoe International Airport

A FULL-SERVICE MULTI-CLIENT SOLUTION

- 200,000+ sq. ft. of clean, fully-racked space
- Leverage existing labor and proprietary, fully-RF WMS platform
- 30 dock doors, plus ample loading dock and surplus yard space
- C-TPAT certified facility
- LEGACY is the administrator for Foreign Trade Zone #126 – talk with us about how FTZ makes sense for your supply chain

LEGACY'S FULL-SERVICE LOGISTICS SOLUTIONS

- Warehousing & distribution
- International transportation
- Domestic transportation
- Customs & compliance
- Pool distribution services
- Powered by Tier 1 technology
